

Industrials Customer Referral Scheme

industrials.co.uk

Do you have any contacts who are looking for business space?

Earn
£500*
on customer referrals

We will give our existing customers £500* when they refer someone to us who goes on to rent space anywhere in the UK.

How does it work?

If you know someone who is looking for business space, please put them in touch with us via email to enquiries@industrials.co.uk and ask them to mention you by name as well as the unit you currently occupy.

We will then do all the heavy lifting to source the perfect space to match their requirements. If they sign up for a minimum term of one year at a rent which is £5,000 per annum or more, we will transfer £500 directly to you.

What type of space do we offer?

The majority of our units are for industrial and storage use, but we do have some small offices available at some of our estates. We cover most areas of the UK; from Aberdeen to Dover and Liverpool to Cardiff and we have high-quality business space in a range of sizes to suit most needs.

For a list of available units, please check out our website: www.industrials.co.uk/find-your-space and search for units near you.

*Terms and Conditions

An existing customer who has a current lease and is in occupation ('Qualifying Customer') can receive a £500 cash transfer by BACS ('Reward') for each successful referral. The Qualifying Customer is not eligible for the Reward if the referred customer does not notify us of the Qualifying Customer's name and unit they occupy with us. The referred customer must take a one year minimum commitment and the rent payable must be over £5,000 per annum. In the event that we are unable to, for any reason whatsoever, give the Reward to the Qualifying Customer for a successful referral, a substitute gift of commensurate value will be provided subject to these same terms and conditions. The Qualifying Customer agrees that we will not be held liable for any loss or claim arising from its exercise of the Reward under this scheme. Referrals must not be to group or related companies. We reserve the right to terminate this referral scheme at any time.
